

O-gym Fees and Services

Thank you for showing interest in O-health's rehab services!

Everybody has the ability to be healthy and achieve their lifestyle goals- let us help you get there with our fantastic rehab team.

Why O-health?

- Mat and Sam are University trained Exercise Scientists-they are not PT's, but highly skilled and qualified health professionals working directly with you.
- All programs are specific to you and altered as you adapt and improve.
- Access and input from our extraordinary clinical team.
- Private, clean and positive environment to train in.
- Unique technology to assist in diagnosis, management and tracking progress.

Why a 12 week program?

- We want to make meaningful, long term change.
- You can't cheat biology! Muscle, bone, and tendons all take time to grow.
- We want you to create new habits, skills and knowledge. This takes time.
- We look good if you improve-12 weeks gives us a chance to make a difference!

Click on links in the table below for an in-depth explanation of the different services.
